Arcadians Theatre Group Newsletter

July/August 2014

Greetings everyone! The Miner's Lamp has certainly been a busy space. We would like to send a hearty congratulation to Kenney Ogilvie, Ryley Gillen and Jess Soden and the entire cast and crew of **Next To Normal** for delivering such a stunning and successful production.

Rehearsals for **The Phantom of the Opera** are travelling well, ticket sales are moving nicely and the cast sounds amazing. This production will be a spectacular spectacle. Buy your tickets from IPAC and come along and support the group.

We are getting ready for information nights and auditions for **Thoroughly Modern Millie**. It would be great to have a big turnout for our last production of 2014.

Congratulations to Life Member, Hugh Wood and his wife Martha who recently celebrated 60 years of wedded bliss!

A very special welcome to Charlotte Grace Bond. Congratulations to Jenn & Michael and of course the Bond and Corrin grandparents! Also welcome to Jack Andrew Cooper, brand new son of Antonia Brown and Richard Cooper. First and eagerly awaited grandchild for Diana and Andrew Brown! Only snag is this little man is in the UK!

**Committee news:** Louise Tonge has returned to committee as Business Manager, a very important role for the group. We are very happy to have her company again and thank her immensely! That still leaves the role of Publicity Officer to be filled. You may have noticed that the newsletter is not being published monthly and this is due to that vacant position. Other committee members are trying to fill this role but sometimes this falls behind.

While we're talking about filling roles on the board, please be aware that several committee members have indicated that they will not be accepting nominations for 2015 so please take some time to think if you are able to participate in some way to ensure that the group continues to prosper for another 50 years.

The **Arcadians Children's Theatre** team are enjoying their rehearsals for *Wonder in Aliceland* - a great family show with lots of fun for everyone.

Remember this will be Geoff Markham's final show as Director, so if you've been a part of ACT during Geoff's time please come along to his final show & wish him well.

**Tickets are on sale now.** [www.arcadians.org.au](http://www.arcadians.org.au)

The committee would like to announce that from 2015 the new team for ACT will be Maggie Thomas (Director), Pauline Young (Choreographer), Robyn O'Dea (Musical Director) and Christa Gray (Producer). The team is very excited and is already selecting shows and getting very organised! Committee would like to thank Maggie and her team for taking on these important roles. Nurturing our future is invaluable for Arcadians and we are very grateful to the whole team.

Did you know Phantom is arguably the most technically complex show ever to be staged in Wollongong?  
 Here are some of the special effects audiences can expect:

- A crashing chandelier measuring more than 1900mm in diameter
- The Phantom mysteriously appearing and disappearing
- See-through mirrors
- Candles that seem to appear from the mist
- A boat that glides effortlessly across the stage
- A piano that begins to play by itself
- A hangman's noose suspended in mid-air
- Special prosthetic make up for the Phantom which takes several hours to apply before each show

All this plus spectacular costumes, breathtaking music and a story of true love presented by an outstanding cast.
