### THANK YOU!

We are a community of volunteers, aiming to connect, provide for our community and make the world a better place – thank you to all our wonderful Arcadians volunteers...

### DA Progressing...

As listed at the AGM, we look to continually improve our space. The DA for the front area (foyer extension) is progressing with council... you will hear more from us on this as we work to gain funding and approvals!

### School Awards...

We are back into attending the productions from the local schools, and rewarding outstanding achievements to further foster the great relationship we have with our local community!
